

## LIVING HERE

### Winter Parking Restrictions in Effect December 1

Winter parking restrictions go into effect December 1. There is no parking on Township roads and village streets from 12 midnight to 7 am from December 1 - March 31, 2025 so our crews can keep roads clear and safe. Please make sure garbage and recycling are placed well away from the side of the road where plows operate. We will not be responsible for damages to cars parked overnight or mailboxes or other obstacles that interfere with winter road maintenance.

### Noise By-law Enforcement

Did you know that the Township has a noise bylaw and property owners are responsible for any noise by-law violations of guests or renters on their property? To report a noise violation, call 613-541-3213 and leave a message with details and a call back number.
